

WHO ARE WE?

We are people living in recovery, our friends and family members, and the many organizations and allies throughout Santa Fe and beyond who celebrate recovery as a living reality.

WHY DO WE CELEBRATE RECOVERY?

Recovery Santa Fe! celebrates every person in recovery from the disease of addiction.

Our Mission: To make Santa Fe safe and welcoming for every person in recovery; recovery is a journey that begins with abstinence and can lead to improved quality of life and personal growth. We want to Celebrate; Advocate and Initiate Recovery!

HOW ARE WE REACHING OUT TO SANTA FE?

Our current focus is joining with our friends to support the recovery movement, create events that celebrate and enhance recovery awareness and acknowledge Santa Fe as a recovery supportive community

Join us at our 2nd Annual Celebration:
